1 / EVIN SWIVEL CHAIR BY BAKER

Evette Ríos admires the traditional, clean-line shape, which can be ordered in any Baker fabric or leather, or c.o.m.: "It's great for a living room," she says. "I'd do a pair in a bright print to add some fun." Barry Dixon raves about the chair, which he has used multiple times: "It's comfortable enough to relax in, yet supportive enough to work on a laptop." 31" w. x 40" d. x 34" h.; \$3,549; bakerfurniture.com

2 / STOCKHOLM SWIVEL EASY CHAIR BY IKEA

"This chair is small," says Ríos, "so it doesn't take up a lot of space. The velvet upholstery makes it tactile and sexy, and the color is phenomenal—yellow is one of my favorites." Dixon would place two along-side a cocktail table in lieu of a larger chair, or four around a gaming table. "If you're playing cards for a long time, you can adjust yourself easily." Also available in Beige and Green. 26" w. x 30" d. x 30" h.; \$399; ikea.com

3 / MEMOIR SWIVEL CHAIR BY BARBARA BARRY FOR HENREDON

Dixon praises this chair's femininity. "It even resembles a lovely lady, with its pleated skirt, drawn waist, and subtle curves," he says. "It's prim without being too traditional." Shown in linen and offered in other fabrics and finishes, it's the ideal vanity chair, says Ríos. "The hidden mechanism gives it softness and polish." 22" w. x 25" d. x 32" h.; \$2,775; barbara-barryhenredon.com

4 / TAKE A LINE FOR A WALK CHAIR BY ALFREDO HÄBERLI FOR MOROSO

For Ríos, this chair's leather upholstery outlined with visible stitching exudes sex appeal: "It's very Sharon Stone in *Basic Instinct*," she says. Dixon would use it in a family room as a TV-viewing chair. "It's contemporary—yet you could interject it into a colonial tableau, next to a traditional fireplace, to stir things up." Available in other colors. 32" w. x 35" d. x 43" h.; \$4,180; morosousa.com

5 / GIANT TUB SWIVEL CHAIR BY MILO BAUGHMAN FOR THAYER COGGIN

"This is big enough for two people to watch a movie," says Dixon. "It's like a swiveling love seat." A round chair like this can take the angle out of a bedroom corner, he adds. "It's the kind of chair you want to snuggle up in with your morning coffee," adds Ríos. Shown in Nava Red, it comes in other fabrics and c.o.m.; a matching ottoman is available. 46" w. x 43" d. x 30" h.; \$3,456; propertyfurniture.com
